

For Applicants to the Postdoctoral Fellowship

The 21st Century COE program at Keio "Integrative Mathematical Sciences"

The COE program (<http://coe.math.keio.ac.jp/index.htm>) invites applications to a position of postdoctoral fellow. The initial appointment is for 10 months from October of 2006, with the possibility of renewal for a second year. Those who are interested in this program are encouraged to apply. Candidates must possess a recent PhD. This fellowship is for non-Japanese or non-residents in Japan. The fellow is expected to conduct research in the area of mathematical sciences at Keio University. Successful candidate will be contacted by the end of April of 2006.

The deadline for applications is the end of March, 2006. Interested persons are encouraged to send (a) curriculum vitae, (b) list of more than two references, (c) a short description of the PhD thesis, (d) research plan at Keio, (e) copy of research papers (PDF format in case of e-mail application), and (f) possible date of coming, by mail or e-mail to

Professor Yoshiaki Maeda, Director of the COE program
