

Dynamics and Arithmetics Seminar

**Speaker : Prof. Robert Devaney
(Boston University)**

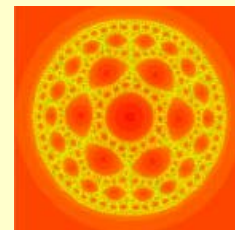

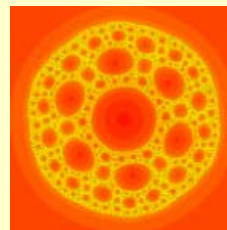

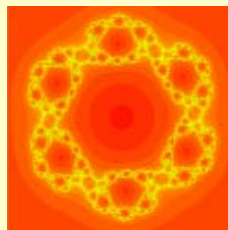

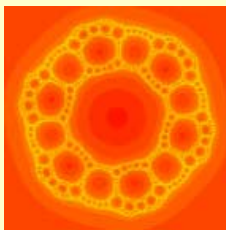

Date : January 21, 2008

Time : 16:30 - 17:30

**Place : Room 14-213 (Discussion Room3)
2nd Floor, Bldg.14
Faculty of Science and Technology
Yagami Campus, Keio University**

Title : Sierpinski Curves Galore

Abstract: All these images are Sierpinski curve Julia sets, so they are all

homeomorphic. But they are all dynamically different. We'll explain why.
